## FIP RISE Frihamnen, from Krakow to Sweden

The **CUPRA FIP Tour** is at home in Sweden. After the two tournaments in **Gothenburg** and **Gävle** played in the past months, here is another **FIP RISE** to be played at the **Padel Arena Frihamnen**, also in the city of Gothenburg. On court, in a men's draw of 29 pairs, three of which have already qualified for the round of 16, will be some players who were stars of the **European Games** in Krakow a few days ago.

At the top of the seeded list are Frenchmen **Thomas Leygue** and **Jeremy Scatena**, who in Poland, in the men's doubles, were defeated by a Swedish pair (Andersson-Olsson). On the other side of the draw, Spanish **Cayetano Rocafort Lores** and Swedish **Simon Vasquez**, who have already won the **FIP RISE** in **Gothenburg** in Sweden, as well as the **FIP PROMOTION Diputacion Malaga** (Spain). Also from France is the third pair directly to the second round, composed by **Jerome Inzerillo** and **Maxime Moreau**.

### About the International Padel Federation (FIP)

About the International Padel Federation (FIP) The International Padel Federation (FIP) is the world governing body of padel, whose goal is to promote all forms of padel worldwide with: 90 Countries, 64 National Federations, + 25 million active players and 500,000 Federated Players. The sport was created in Acapulco, Mexico, by Enrique Corcuera in 1969. It was 32 years later that the FIP was established in Madrid by the legal representatives of the Argentine Padel Association, the Spanish Padel Association and the Uruguayan Padel Association, by means of Public deeds signed before the Notary Mr. Javier Gaspar Alfaro, with the protocol number 2486. We want to bring the worldwide Padel family together into one community, and make Padel a sport that is recognised and played in all the countries of the World.
