## No limits for Coello e Tapia: after Rome, another triumph in Madrid Premier P1

After **Rome**, here comes **Madrid**. **Arturo Coello** and **Agustin Tapia** grant an encore and, in the "replay" of the Foro Italico final, beat again **Federico Chingotto** and **Paquito Navarro** conquering also the **Madrid Premier P1**. The No. 4 seeded pair got the better of their rivals 7-5, 6-2 confirming their moment of grace - they won eleven tournaments in 2023, in addition to a final - and their extraordinary form.

At the **Madrid Arena**, it is **Chingotto** and **Navarro** who indeed get off to the best start, breaking their rivals in the fifth game. It's a wake-up call that **Coello** and **Tapia** pick up: Rome champions immediately recover the break gap - in a game in which Chingotto asked for medical time out after a fall on the edge of the court in an attempt to play a ball sent out by Coello - and then, when they lead 6-5, they break again their opponents, winning the first set.

In the second set, the No. 4 seeded pair gets off to a great start and immediately gain the break against **Chingotto** and **Navarro**, taking first a 3-0 and then a 5-2 lead. **Coello** and **Tapia** manage to save four break-points and close 6-2, leaving the crumbs to **Chingotto** and **Navarro** in the second set and graduating champions in **Madrid** after also triumphing at the BNL Italy Major Premier Padel. An overwhelming power, for now, absolute.

*"We expressed ourselves on a good level, let me congratulate Arturo", Tapia's post-final words, "We are a good pair, we fight together, we want to win and it is never easy to play against Chingotto and Navarro. And let me wish my sister Valentina a happy birthday, it's her birthday today and we gave her a great gift by winning. She did it to me by choosing to spend this day watching my padel". Then it's Coello's turn: "Thank you for staying here late. I am the one to thank Agustin: if I do something wrong, he is always there. Today I was not at the level of the others on the court but he always supported me, for me he is the number 1".*
