ARTICLES

1. AFFILIATION

1.1. Affiliation to FIP is open to National Federations, Recognised Organisations and Regional Associations which manage the sport of padel in their own territory. Upon acceptance of the relevant applications for affiliation, National Federations, Recognised Organisations and Regional Associations will be known as Member.

1.1.1 The Members must acknowledge FIP as the sole governing body of the sport of padel throughout the world and accept to abide by the By-Law, rules and standards of FIP. It is essential that each Member is a non-profit association.

1.1.2 Each Member shall manage its affairs independently and without undue influence from third parties. The members of Members' bodies shall be either elected or appointed through procedures conducted within that institution. Members' statutes shall provide for democratic procedures that guarantee independence of each election or appointment.

1.1.3 The Board of Directors may suspend at any time the affiliation of a Member which is found to be not compliant with the principles of independence, autonomy and democracy and/or is subject to undue influence from governmental, national or local authorities or bodies or cannot freely carry on its purpose of managing and developing the sport of padel at national level due to external influence.

1.1.4 The statutes and the rules of a Member cannot be in conflict with those of FIP and shall be interpreted in such a manner as to bring them into conformity with the By-Law. In case of conflict, the rules of FIP shall prevail.

1.1.5 Each National Federation that provides for a shorter term of the office of its authorities than FIP's terms, whether for the President and/or the Board of Directors, including whether they have a limit on re-election, should adjust its statutes in the same manner as FIP.

1.1.6 Each National Federation affiliated to FIP must issue licenses to padel players. The license must be renewed annually upon passing all medical tests required by the applicable national laws and international standards for the practice of padel at the relevant level (e.g. professional, amateur, etc.).

1.1.7 Each National Federation which requests affiliation to FIP or is affiliated to FIP must provide, in its statutes or regulations, for the obligation on the players licensed by such federation to make themselves available on a priority basis to take part in the official competitions of FIP.

1.2. The Members of FIP shall be as follows:

CLASS A MEMBERS

- i. Class A Members shall be the founder organisations of FIP and the organisation from the Country where has been registered the creation of padel.
- ii. Class A Members shall be entitled to attend and to speak at General Meetings but shall not be entitled to vote, unless they are also a Class B Member.

CLASS B MEMBERS

- iii. Class B Members are: National Federations of independent countries or territories that could be also from Class A and which, in the opinion of the General Meeting, are sufficiently developed in padel matters to warrant Class B affiliation.
- iv. Class B Members shall be entitled to attend, speak and vote at any General Meeting.

CLASS C MEMBERS

- v. Class C Members are: padel associations or corresponding organisations of countries or territories which, in the opinion of the General Meeting, are not sufficiently mature in padel matters to warrant Class B affiliation.
- vi. The affiliation of a Class C Member which is not admitted as Class B Member in a ten (10) years period from its admission will automatically cease.

vii. Class C Members shall be entitled to attend and speak at General Meetings but shall not be entitled to vote.

1.3. Affiliation to FIP is also open to any national or international organisation that might be founded by Members in order to improve promotion of padel (so called Recognised Organisations, upon approval of the application for affiliation pursuant to article 6 of the By-Law), provided that they accept the By-Law, rules and regulations of FIP. A Recognised Organisation cannot be affiliated to FIP if it has accepted as member any entity that is not itself a Member of the FIP, unless the latter is in the process of being recognised by FIP. Whether this recognition by FIP is ultimately rejected, the Recognised Organisation shall expel the relevant member, failing which the Recognised Organisation shall be revoked the affiliation to FIP.

1.4. Affiliation to FIP is also open to any regional organisation that might be founded by Members in order to improve promotion of padel (so called Regional Associations, upon approval of the application for affiliation pursuant to article 5 of the By-Law), provided that they accept the By-Law, rules and regulations of FIP. A Regional Association cannot be affiliated to FIP if it has accepted as member any entity that is not itself a Member of the FIP, unless the latter is in the process of being recognised by the FIP. Whether this recognition by the FIP is ultimately rejected, the Regional Association shall expel the relevant member, failing which the Regional Association shall be revoked the affiliation to FIP.

1.5. There shall be only one National Federation per country or territory.

1.6. A National Federation can only be a member of one Regional Association.

2. APPLICATIONS FOR AFFILIATION

2.1. A National Federation, before making an application for affiliation with FIP, shall ensure and certify that it operates and is a properly constituted as sports body in accordance with the law applicable in the country in which it is domiciled. Further, such applicant shall ensure that on becoming a member of FIP it shall remain such a properly constituted sports body throughout its affiliation with FIP, and shall advise FIP should there be a fundamental change in its ability to meet these requirements.

2.2. Applications for Class C and Class B affiliation shall be considered at the General Meeting of FIP. Each application for affiliation, to be successful, must receive at least a two-thirds majority Resolution of the General Meeting in respect of the application.

2.3. Each new application for Class C affiliation shall include full details of the development of the game of padel in the applicant's country and shall be accompanied by a certified copy of the applicant's statutes and a sum equivalent to the Affiliation Fee, in the amount set for a Class C Member, for documents' analysis of new candidates. If the application is approved at the General Meeting, the payment made will be counted as the amount paid by the applicant for the current yearly affiliation; if the application is not approved, the Affiliation Fee shall be returned to the applicant, net of the costs incurred by FIP, if any.

2.4. The Board of Directors, when receiving a new application for Class C affiliation, will analyse it during their meeting and, if deemed appropriate, shall appoint a representative to visit the applicant's country and the representative shall submit a report of his/her visit to the Board of Directors. The costs of and incidental to the visit shall be borne by the applicant for Class C affiliation.

2.5. Applications by Class C Members for Class B affiliation shall be considered at the General Meeting only if the applicant has been a Member for at least three years and the application was received on or before the previous General Meeting. Applications from Class C Members which have previously been Class B Members do not have to wait further three years and shall be considered at the General Meeting immediately following a valid application.

2.6. Applications for Class C affiliation must reach FIP in accordance with article 13 to qualify for inclusion in the agenda for the next General Meeting.

2.7. When an application is received for Class B affiliation, the Board of Directors may appoint a representative to visit the relevant country to discuss the implications of Class B affiliation; to advise on all relevant aspects of the game of padel and the activities of FIP, and to study the standard of padel played within the country. The representative shall submit a report of his/her visit to the Board of Directors. The costs of and incidental to the visit shall be borne by the applicant for Class B affiliation. Condition precedent for the admittance of a Class B Member

is that the applicant provides satisfactory evidence that it is officially recognized by its state/territory sports governing body or competent governmental authority.

2.8. National Federations admitted to Class B affiliation shall be allotted a number of Class B votes as determined by Resolution of the General Meeting. If no specific resolution is taken, the new Class B Member shall have 1 Class B vote.

2.9. If, following the division of a territory or state - already affiliated to FIP as Class B Member - into two or more countries, an application is received from one of the said countries (being a newly independent country with a constitution) then the said applicant may be offered Class B affiliation if the General Meeting decides, by passing a Resolution with at least a two-thirds majority, that the new applicant has a sufficient level of maturity in padel matters to justify Class B affiliation.

2.10. Each Member shall provide the General Secretary of FIP with all the information that may be required for administrative and informative purposes whenever is requested and not later than the 31st of May each year. This information will include the address of the headquarters, e-mail address, telephone and fax numbers of the entity, names and addresses of the main directors, the number of affiliated clubs or sport associations and players, the official competitions held.

2.11. The application for affiliation shall be made on the appropriate form and sent directly to the President of FIP.

2.11.1. The application will include information referring to the country/territory to be represented and specify the number of affiliated clubs and players. A copy of the statutes will be included in the language of the country applicant, as well as a direct certified translation in English, including the names and addresses of the legal representative and the board members.

2.11.2. The statutes and regulations of the applicant must be wholly compliant with those of FIP. If, at any time after its affiliation to FIP, the statutes and regulations of a Member are found to be not compliant with those of FIP, the Board of Directors shall grant the Member an adequate deadline of no less than 30 (thirty) days to modify or amend its statutes and regulations to make them compliant with those of FIP. In case such modifications or amendments are not timely and duly done, the Board of Directors shall suspend the affiliation of the Member. During the following General Meeting, the affiliation of the Member may be revoked by a two-third majority resolution.

2.11.3. The President of FIP will transmit the request along with the received information to the members of the Board of Directors.

2.11.4. The Board of Directors will have the right to classify the applicant in accordance with the classes of article 1.2.

2.11.5. The evaluation of the Board of Directors shall be submitted to the Resolution of the next General Meeting.

2.12. Upon renewal of affiliation, or in the case of a new member, upon making the application for affiliation, each member thereby agrees to abide by the By-Law, regulations, decisions and rulings of FIP. A Member shall be deemed to renew its affiliation as of the first day of January of each year, without prejudice to the provisions of article 3 below. Following admittance as a Member, in the event that any change is made to the Member's statutes, the Member shall submit its updated statutes to FIP.

3. RESIGNATION, SUSPENSION AND EXPULSION OF MEMBERS

3.1 Any Class B Member or Class C Member may resign as a Member by giving notice in writing to FIP on or before the 31st day of December in any year; failure to do so will result in the obligation to pay the Affiliation Fee for the following year. Upon such resignation, the votes held by such resigning Member shall be deemed cancelled and the Register shall be amended accordingly.

3.2 Any Class B Member or Class C Member whose affiliation, in the opinion of the General Meeting, may seriously damage the international standing of padel as a world sport or the purposes of FIP, shall be suspended as a Member if a Resolution of the General Meeting to that effect is carried by a two-thirds majority. Any such suspension shall be effective at the conclusion of the General Meeting when such Resolution is passed but may be reviewed at any subsequent General Meeting of FIP.

3.3 Any Class B Member or Class C Member which fails to pay Affiliation Fees for two consecutive years may

either (i) be suspended or (ii) expelled by a Resolution of the General Meeting passed with at least a two-thirds majority. The Board of Directors shall determine whether the sanction to be decided by the General Meeting shall be suspension or expulsion.

3.4 Any Class B or Class C Member which, in the opinion of the Board of Directors, does not adequately represent the institution managing the game of padel in its country or territory or which has acted against the By-Law (or not acted in accordance to any rules or regulations published from time to time by FIP), shall be expelled from FIP if a Resolution of the General Meeting to that effect is carried by a two-third majority.

3.5 Notice of any proposed suspension, expulsion or re-admittance from/to FIP, with the exception of the lifting of a suspension under article 4.5, shall appear on the agenda of the General Meeting in which it will be discussed.

3.6 Any Member which is suspended shall not be entitled to submit Motions, to attend or vote at any General Meeting of FIP and cannot participate in the official competitions for national teams of FIP.

3.7 Between General Meetings, the Board of Directors has the power to suspend the affiliation of a Member if, in its opinion, the Member is acting against the interests of FIP or its principles or aims, or if the Member does not adequately represent the institution managing the game of padel in its country or territory. In all cases:

(i) the Board of Directors can put an end to the suspension at any time if the reasons for the suspension no longer exist;

(ii) the suspension shall be confirmed or revoked during the following General Meeting with a simple majority of registered votes.

3.8 Affiliation Fees or other payments incurred by the suspended Member will not be paid during the suspension period. A suspended Member will be deprived of all the affiliation rights and will not be able to participate in any of the acts depending on or sponsored by FIP.

3.9 Players who have their licences issued by a Member who has been suspended may participate in professional tournaments for pairs that give individual points for the Official FIP Ranking.

4. RE-ADMITTANCE TO AFFILIATION

4.1. Any former Class B Member which has applied for re-admittance to affiliation may, when it has fulfilled the requirements set out below, be re-admitted as a Class B or a Class C Member if a Resolution of the General Meeting to that effect is carried by a two-thirds majority.

4.2. Provisions of article 2 dealing with new applications for affiliation shall apply to any application for re-admission.

4.3. Unless waived in accordance with article 5.4, it shall be a condition precedent to any such re-admission to affiliation that the Member concerned makes the following payments:

- a. any Affiliation Fees arrears up to the date when the Member ceased to be a Member;
- b. the Affiliation Fee for the year of re-admission;
- c. only in the case of a Member expelled pursuant to article 3.4, a penalty in the amount equal to one year's Affiliation Fee.

4.4. Any Member which has been suspended pursuant to article 3.2 may apply for a lifting of any suspension and may, when it has fulfilled the requirements set out in article 4.6, have its suspension lifted if a Resolution of the General Meeting to that effect is carried by a two-thirds majority.

4.5. Any Member which is suspended pursuant to article 3.3 may, when it has paid in full any outstanding Affiliation Fee, apply for a lifting of that suspension and have its suspension lifted at the discretion of the Board of Directors with re-admission effective from 1st January the following year (the year of re-admission).

4.6. Subject to article 4.5, to make effective the lifting of the suspension, the Member concerned shall make the following payments:

- a. any Affiliation Fee up to the date when the relevant Member was suspended;

b. the Affiliation Fee for the year of re-admission;

c. any affiliation fee due to its Regional Association (if it has one) up to the date when the relevant National Federation ceased to be a Member, together with its fees due to its Regional Association (if it is existing, is recognised by FIP, and has fixed an affiliation fee) for the year of re-admission.

4.7. Following a suspended Member's re-admission to FIP, it shall be permitted to enter FIP Competitions for the year of re-admission.

5. REGIONAL ASSOCIATIONS

5.1. Regional Associations which have been in existence for at least three years may apply for affiliation to FIP.

5.4. Upon approval of the affiliation, the Regional Association must have any amendment to its affiliation fees approved by the Board of Directors in advance and must notify FIP immediately of any amendment to its statutes. Any changes to a Regional Association's statutes which are found to be in conflict with the By-Law will be subject to invalidation by FIP, irrespective of whether they have already been approved by the Regional Association's general meeting.

5.5. Regional Associations may accept the affiliation of any Class B or Class C Members which are located within the geographical region in respect of which the Regional Association has been established, as well as the affiliation of any member who is in the process of joining FIP, subject to its final approval by FIP. No associations, federations nor entities other than those affiliated to FIP can be affiliated to the Regional Association. The affiliation to FIP of a Regional Association to which entities extraneous to FIP are affiliated shall be denied or revoked.

6. RECOGNISED ORGANISATIONS

6.1. National or international organisations that are not for profit and are concerned with the benefit, development, interest and promotion of padel may apply to FIP for the status of a Recognised Organisation.

6.2. A Recognised Organisation will provide all the support it can for the development of padel internationally. The acceptance and the maintenance of its status as Recognised Organisation by FIP has to be renovated every year during the General Meeting. The Recognised Organisation may participate in the General Meetings having right to speak but without the right to vote. The President will invite the Recognised Organisation to take part in the General Meeting.

6.3. Due notice of the application to be a Recognised Organisation must reach FIP in accordance with article 13 and shall include:

- a. the name of the organisation;
- b. the statutes and a description of the past activities of the organisation;

6.6. Any Recognised Organisation may resign by notice in writing to FIP delivered on or before the 31st day of December in any year. Affiliation fees paid for that year are not refundable.

Notice of any proposed expulsion shall appear in the Agenda of the General Meeting at which it is to be discussed.

6.8. Any Recognised Organisation whose continued affiliation would, in the opinion of the General Meeting, damage the international standing of padel as a world sport, shall be suspended if a Resolution of the General Meeting to that effect is carried by a two-thirds majority.

6.9. Recognised Organisations shall at all times work within the By-Law and regulations of FIP and shall accept as final the rulings of FIP in any matter.

7. AFFILIATION FEE

7.1. Class B Members and Class C Members shall pay an annual Affiliation Fee in the amount decided by the General Meeting and shall be paid in the lawful currency of Euros. If no Resolution of the General Meeting is taken, the Affiliation Fee of the previous year is confirmed.

7.3. On an ordinary basis, Affiliation Fees may be increased annually on a percentage basis indicated by the international index published by the Organisation of Economic Cooperation and Development (OECD).

7.4. The initial Affiliation Fee shall be payable on the election to Class C affiliation with FIP. Such initial Affiliation Fee shall be deemed to include the par value amount payable upon the allotment of votes under article 2. Subsequent Affiliation Fees shall be due on the first day of January of each year.

8.1. Class B Members shall be entitled to the number of votes (1, 3, 5, 7, 9 or 12) mentioned in Appendix A for Class B category as of the 1st of January of every year, to be used during General Meetings and Extraordinary Meetings of current year, unless otherwise specified herein.

8.2. After two years, a Class B Member may put forward a Motion for an increase in Class B votes in accordance with article 13. A Class B Member which has applied for and has been granted an increase in Class B votes at a General Meeting in one year may not apply for a further increase in votes at the General Meeting in the following 3 years. A Class B Member which has applied for and has not been granted an increase in Class B votes at a General Meeting in one year may not apply for a further increase in votes at the General Meeting in the following year.

8.3. The General Meeting may consider a Motion submitted by a Class B Member for an increase or reduction in Class B votes provided that notice of such Motion is given in accordance with article 13 and that, in the case of an increase Motion, the latter is justified by the development of padel in that country and/or the organisation of world championships, continental championships and/or official FIP competitions, as indicated in the guidelines prepared by the Board of Directors. Any increase or reduction must be limited to the next vote categories: 1, 3, 5, 7, 9 and 12. If a Class B Member holding only one Class B vote submits a Motion for a reduction in Class B votes in accordance with article 13, such Class B vote shall, upon passing of that Motion, be cancelled and a Class C issued.

8.4. In the case of an application for an increase in Class B votes, the Board of Directors may appoint a representative to visit the country or territory of the Class B Member concerned and submit a report of the visit to the Board of Directors. The cost of this visit shall be borne by the Class B Member concerned.

8.5. A Member that has been elected as a Class B Member and has applied for an increase of Class B votes shall be allotted such further number of Class B votes as may be conferred upon it by Resolution of the General Meeting. A Class B Member representing the remainder of a country that has been divided into two or more countries may suffer a reduction in its entitlement to votes.

8.6. No application by a Class B Member for an increase in Class B votes shall be accepted from a Member which during the past two years has applied for and been granted a decrease, unless affiliation fees for the previous years are paid at the higher rate; and no application for a decrease in Class B votes shall be accepted from a Member which, during the past two years, has applied for and been granted an increase in Class B votes.

8.7. Any Resolution of the General Meeting to approve an increase or reduction in Class B votes shall require a two-thirds majority.

9. THE GENERAL MEETING

9.1. The delegates of the Members shall participate in the General Meeting under the following conditions:

- a. no delegate of a Member whose Affiliation Fees are overdue shall be entitled to attend or vote at any General Meeting of FIP; and

(Any amendments made to these rules by the IOC will be accepted by FIP)

Rule 25 Recognition of IFs

In order to develop and promote the Olympic Movement, the IOC may recognise as IFs international non-governmental organisations governing one or several sports at the world level, which extends by reference to those organisations recognised by the IFs as governing such sports at the national level.

The statutes, practice and activities of the IFs within the Olympic Movement must be in conformity with the Olympic Charter, including the adoption and implementation of the World Anti-Doping Code as well as the Olympic Movement Code on the Prevention of Manipulation of Competitions. Subject to the foregoing, each IF maintains its independence and autonomy in the governance of its sport.

Rule 26 Mission and role of the IFs within the Olympic Movement

1 The mission and role of the IFs within the Olympic Movement are:

- 1.1 to establish and enforce, in accordance with the Olympic spirit, the rules concerning the practice of their respective sports and to ensure their application;
- 1.2 to ensure the development of their sports throughout the world;
- 1.3 to contribute to the achievement of the goals set out in the Olympic Charter, in particular by way of the spread of Olympism and Olympic education;
- 1.4 to support the IOC in the review of candidatures for organising the Olympic Games for their respective sports;
- 1.5 to assume the responsibility for the control and direction of their sports at the Olympic Games;
- 1.6 for other international multisport competitions held under the patronage of the IOC, IFs can assume or delegate responsibility for the control and direction of their sports;

2 In addition, the IFs have the right to:

- 2.1 formulate proposals addressed to the IOC concerning the Olympic Charter and the Olympic Movement;
- 2.2 collaborate in the preparation of Olympic Congresses;
- 2.3 participate, on request from the IOC, in the activities of the IOC commissions.

Chapter 5 – The Olympic Games

II Participation in the Olympic Games

Rule 40 Participation in the Olympic Games

1. To participate in the Olympic Games, a competitor, team official or other team personnel must respect and comply with the Olympic Charter, the World Anti-Doping Code and the Olympic Movement Code on the Prevention of the Manipulation of Competitions, including the conditions of participation established by the IOC, as well as with the rules of the relevant IF as approved by the IOC, and the competitor, team official or other team personnel must be entered by his NOC.

2. All competitors, team officials or other team personnel in the Olympic Games shall enjoy freedom of expression in keeping with the Olympic values and the Fundamental Principles of Olympism, and in accordance with the Guidelines determined by the IOC Executive Board.

Bye-law to Rule 40

- 1 Each IF establishes its sport's rules for participation in the Olympic Games, including qualification criteria, in accordance with the Olympic Charter. Such criteria must be submitted to the IOC Executive Board for approval.
- 2 The application of the qualification criteria lies with the IFs, their affiliated national federations and the NOCs in the fields of their respective responsibilities.
- 3 Competitors, team officials and other team personnel who participate in the Olympic Games may allow their person, name, image or sports performances to be used for advertising purposes during the Olympic Games in accordance with the principles determined by the IOC Executive Board.
- 4 The entry or participation of a competitor in the Olympic Games shall not be conditional on any financial consideration.

Rule 41 Nationality of competitors

- 1 Any competitor in the Olympic Games must be a national of the country of the NOC which is entering such competitor.
- 2 All matters relating to the determination of the country which a competitor may represent in the Olympic Games shall be resolved by the IOC Executive Board.

Bye-law to Rule 41

- 1 A competitor who is a national of two or more countries at the same time may represent either one of them, as he may elect. However, after having represented one country in the Olympic Games, in continental or regional games or in world or regional championships recognised by the relevant IF, he may not represent another country unless he meets the conditions set forth in paragraph 2 below that apply to persons who have changed their nationality or acquired a new nationality.
- 2 A competitor who has represented one country in the Olympic Games, in continental or regional games or in world or regional championships recognised by the relevant IF, and who has changed his nationality or acquired a new nationality, may participate in the Olympic Games to represent his new country provided that at least three years have passed since the competitor last represented his former country. This period may be reduced or even cancelled, with the agreement of the NOCs and IF concerned, by the IOC Executive Board, which takes into account the circumstances of each case.
- 3 If an associated State, province or overseas department, a country or colony acquires independence, if a country becomes incorporated within another country by reason of a change of border, if a country merges with another country, or if a new NOC is recognised by the IOC, a competitor may continue to represent the country to which he belongs or belonged. However, he may, if he prefers, elect to represent his country or be entered in the Olympic Games by his new NOC if one exists. This particular choice may be made only once.
- 4 Furthermore, in all cases in which a competitor would be eligible to participate in the Olympic Games, either by representing another country than his or by having the choice as to the country which such competitor intends to represent, the IOC Executive Board may take all decisions of a general or individual nature with regard to issues resulting from nationality, citizenship, domicile or residence of any competitor, including the duration of any waiting period.

Rule 43 World Anti-Doping Code and the Olympic Movement Code on the Prevention of Manipulation of Competitions

Compliance with the World Anti-Doping Code and the Olympic Movement Code on the Prevention of Manipulation of Competitions is mandatory for the whole Olympic Movement.

Rule 46 Role of the IFs in relation to the Olympic Games

- 1 Each IF is responsible for the control and direction of its sport at the Olympic Games. All elements of the competitions, including the schedule, field of play, training sites and all equipment must comply with its rules. For all such arrangements, the OCOG must consult the relevant IFs.

2 The OCOGs shall work closely with the IFs in the planning and delivery of each sport and agree upon specific responsibilities with the relevant IFs, under the direction of the IOC Executive Board.

3 The OCOG must ensure that the various sports included in the programme of the Olympic Games are treated and integrated equitably.

4 The final decision of the competition schedule and daily timetable of events is made by the IOC Executive Board.

5 The IOC Executive Board determines the number and the method for selection of competitors for doping tests and all other anti-doping measures during the period of the Olympic Games after consultation with each IF.
