FIP PROMOTION Melbourne, Vives-Seurin and Santana-Calderaro make the double

From **Sydney** to **Melbourne**, the winners of the second **CUPRA FIP Tour 2024** tournament are the same as the first. **Manuel Vives** and **Julien Seurin** among the men and **Nerea Santana** and **Patricia Calderaro** among the women lifted their second trophy of the season. The **FIP PROMOTION** in **Melbourne** ended with the success of the two number one seeded pairs: Vives and Seurin beat again the Spaniards **Sergi Guimet Bigas** and **Nicolai Maniucov Maniucova**, but this time they needed three sets and not two as had happened in Sydney.

The men's final ended 4-6 6-4 6-3, with the French able to come back from a set down. For Calderaro/Santana, however, success in two sets (6-1 7-5) over Japan's **Akane Kamo** and **Kotomi Ozawa**. *"We expressed a good game, but we still have a lot to fight for around the world – said the two winners –. Thanks to the organisation for the success of the tournament".* The CUPRA FIP Tour will return to Europe next week with the FIP RISE Betsson in **Göteborg** (Sweden), also the venue for the first FIP PROMISES of the season.
