Sevilla Premier Padel P2, here are the draws Estadio de la Cartuja 'temple of the racket'

Four padel courts inside a monument of Spanish sport. **Estadio de La Cartuja, in Sevilla**, is once again the 'temple of the racket', with the sixth stage of the **Premier Padel 2024** circuit, the **Sevilla Premier Padel P2**. After hosting Davis Cup matches and, last November, the Billie Jean King Cup Finals, and after having been the scene not even a month ago of Athletic Bilbao's Copa del Rey victory in football, it is ready to welcome the stars of world padel, including **Paquito Navarro**, who will play his home game in Sevilla and who has already had the chance to 'breathe' the atmosphere during the preparation of the courts that will host the tournament from Tuesday.

MEN **Navarro** and **Lebron**, the number 2 seed in the 32-pair men's draw, will begin their tournament against **Javi Rico** and **Juanlu Esbri**, two players who in Riyadh – in the first Premier Padel of the season – eliminated Paquito, then paired with **Sanyo Gutierrez**. At the top of the draw, however, **Arturo Coello** and **Agustin Tapia** – finalists in Brussels – will debut against **José Antonio Diestro** and **Pablo Lijo**. The other finalist pair of the **Lotto Brussels Premier Padel P2**, that formed by **Federico Chingotto** and **Ale Galan**, will debut against **Javi Ruiz** and **Pablo Cardona**. Two qualifiers, on the other hand, for 'Superpibes' **Franco Stupaczkuk** and **Martin Di Nenno**, in a tournament that will see the return of legend **Fernando Belasteguin**, who will form the number five seeded pair with **Juan Tello**.

WOMEN Among the women, the main draw will be made up of 28 pairs, with the top four seeds (**Josemaria/Sanchez**, **Brea/Gonzalez**, **Triay/Fernandez** and **Salazar/Icardo**) having a bye in the first round and debuting directly in the round of 16. For **Josemaria/Sanchez**, world number 1 and FIP ranking, they will debut against either **Canovas/Velasco** or **Barrera/Caparros**, while **Brea/Gonzalez** (finalists in Brussels against **Triay/Fernandez**) could meet the young **Alonso/Ustero**, who will play against **Iglesias Segador/Las Heras** in the first round.

After the end of the qualifying rounds, the main draw matches will begin on Tuesday: it will be a show in La Cartuja.
