## FIP Rise Delta Padel, Alvarez and Valenzuela chase their third title of the season

An important scenario, in a country where padel is on the rise and increasingly popular. From Friday to Sunday, the **FIP Rise Delta Padel** in **Camboriu**, in the Brazilian state of Santa Catarina, is staged, with **32 pairs** competing in the main draw. It is the same venue that hosts the **FIP Promotion Camboriu** and the **FIP Promises Camboriu** this weekend.

In this men's tournament, the **number 1 seeded** pair in the main draw will be **Spaniard Pol Hernandez Alvarez** and **Argentinean Ramiro Jesus Valenzuela**, who have already won the FIP Promotion Alicante and FIP Rise Dubai this season together, as well as reaching the final in **FIP Rise Buenos Aires II**. Thanks to their result in Argentina, **'Rama' Valenzuel** and **Pol Hernandez Alvarez** earned a wild card for the **Premier Padel P1** in **Mar del Plata**, scheduled for **20-26 May**. Two Brazilians - **Joao Pedro Flores** and **Stefano Palma Flores** - will be the **number 2 seeded pair**: together they triumphed at last year's FIP Star Nomos Curitiba and FIP Rise Rio Branco. The **number 3 seed** is another Brazilian pair, formed by **Matheus De Avila Simonato** and **Lucas Cunha**.
