OYSHO Valladolid FIP Gold, day 1

Guinart, magic moment: she's in the quarterfinals with Canovas

Not even a week ago, **Marina Guinart** was at the **Foro Italico** in **Rome** to play the quarterfinals of the **BNL Italy Major Premier Padel**. A result that allowed the **Spanish**, who played with **Araceli Martinez** in Italy, to reach the number 20 position in the FIP ranking. Guinart, this time paired with **Noa Canovas**, also made it to the quarters in **the OYSHO Valladolid FIP Gold**, winning two matches in one day: in the morning 7-6 6-2 over qualifiers **Gomez/Valenzuela**, in the afternoon 6-3 6-4 in the round of 16 over wild cards **Araus/Molinilla**.

On the day that opened the main draw of the first **FIP Gold** of the season, underway at the **Club Raqueta** in **Valladolid**, two victories also for the number 1 seeded pairs: among the men, **Javi Rico** and **Juanlu Esbri** defeated **Castillo/Perez** with a double 6-4, then repeated (6-3 6-4) over brothers **Pedro** and **Alvaro Melendez**. In the women's draw, **Bea Caldera** and **Lorena Rufo** are still running: 6-4 6-0 in the first round against **Lopez/Lopez**, 6-3 6-2 to **Polo/Arruabarrena** in the round of 16. Tomorrow (from 10 a.m.) there will be another double round in **Valladolid**: in the morning the quarterfinals will be played, while in the afternoon the semifinals are scheduled, which will determine the pairs that will play for the titles on Saturday from 10 a.m.
