## FIP Platinum Sardegna: Edu Alonso and Momo Gonzalez, a great pair is born

That "pareja" is super. What immediately catches the eye is the synergy on the court between the 'boss' **Momo Gonzalez**, number 12 in the FIP ranking, and his young partner, Valencian **Edu Alonso**, who, after reaching the quarter-finals five times in the Premier Padel circuit, achieves his first success of the season in the tournament-diamond of the **CUPRA FIP Tour**, the **FIP Platinum Sardegna**. In their first tournament together, this pair immediately hit their stride with impressive force, to the extent that their final win with a score of 6-2 6-2 in just one hour of dominating padel over **Cepero** and **Lijo** turned out to be the second easiest match of this major international debut. The journey was unstoppable: not a single set conceded and the only tightly contested match was the quarter-final against **Leal-Campagnolo** (6-4 6-4). Before and after: 6-2 6-4 against the Italians **Bruno-Iacovino**, 6-2 6-1 against **Ortega-Marti**, and, in the semifinals, 6-2 6-4 against **Guerrero García** before closing the final with a strength that now awaits challenges in other tournaments, as **Momo Gonzalez** emphasizes: *"We were at our first tournament together and this success is a wonderful starting point for the future in international level tournaments, like this one here in Cagliari"*. The next test will come soon, at the **P2 Padel Premier in Finland** at the end of July and early August.

**TOWARDS THE EUROPEAN CHAMPIONSHIPS** **Edu Alonso**, overjoyed, dedicates *"This first major success to my family and my team, who are always by my side and give me confidence. I am thrilled and also excite"*. Thus concludes the great adventure of the FIP Platinum Sardegna, in a week that awarded **Carolina Orsi** and **Nuria Rodriguez** their first major international trophy and delighted the audience with a series of champions who will be remembered in the history of this tournament: from the greatest of all time, **Fernando Belasteguín** paired with **Javi Garrido**, to the 'Generation Z' idol **Tolito Aguirre** paired with another padel showman, **Lamperti**. Additionally, many top players were present, from **Campagnolo** to **Leal**, from Maxi Sánchez to **Capra**, and the top women's players, including former world number one and finalist against **Orsi-Rodriguez**, **Marta Marrero**, as well as **Osoro**, **Riera**, and others. Goodbye Cagliari? Not quite, as another major padel adventure awaits: the FIP European Championships.
