FIP Rise Allesvoorpadel, Gonzalez and Gil raise the trophy in the Netherlands

It were Spain's **Miguel Gonzalez** and **Diego Gil** who won the **FIP Rise Allesvoorpadel** held in Lelystad (Netherlands). In the final, **Gonzalez** and **Gil** (who started as the number 4 seed) beat 2-6 6-4 6-2 **Alonso Rodriguez** and **Daniel Santigosa**, who were one game away from their third consecutive success on the **CUPRA FIP Tour**.

'I'm very proud to have won this title, also because there is always more competition on the international circuit – Gonzalez said –. What could be better than winning next to a friend like Diego? Thanks to the family, friends, sponsors and people who support us". Gonzalez climbs one position in the FIP ranking (from 96 to 95); Gil, on the other hand, gains four, up to number 81.
