FIP Promotion Chiba, the French to conquer Japan?

There are three French players among the top two seeded pairs at the **FIP Promotion** in **Chiba** (Japan). Leading the entry list are **Manuel Vives** (number 162 in the rankings) and **Julien Seurin** (182), two players who started 2024 by winning two **CUPRA FIP Tour** tournaments in a row played in Australia, the **FIP Rise Australian Open** and the **FIP Promotion Melbourne Open**. They were followed as the number two seed by another French, **Philemon Raichman**, paired with Iranian **Arya Roghani**. Completing the seeded podium are Dutchmen **Bart Van Opstal** and **Menno Nolten**, then Italy's **Andrea Bettineschi** and Spain's **Hector Vazquez Lopez** as number 4 seed. But there are lots of Japanese players at the start of the tournament, ready to impress in front of the home crowd of the **Padel and Futsal Hare Nochi Hare**.
