CUPRA FIP Tour and FIP Promises, it's padel show: eight tournaments in one week

An exciting week is beginning for the **CUPRA FIP Tour** and the **FIP Promises** circuit. Eight tournaments are scheduled, spread across five countries and two different continents, proving how padel and the tournaments of the circuit organised by the International Padel Federation are increasingly becoming a global event. There will be four **FIP Rise** tournaments: one in **Cordoba** (Spain), one in **Bandol** (France), one in **Mol** (Belgium) and one in **Copiapó** (Chile). These were joined by two **FIP Promotion**, in **Curitiba** (Brazil) and **Copiapó**, and two **FIP Promises**, reserved for young padel talents: one in **Middelkerke** (Belgium) and one in **Curitiba**, cities that had already hosted youth tournaments at the start of the season.

Eight tournaments this week, five more next week, adding the **FIP World Padel Championships South American Female Qualifiers**, scheduled in **Viña del Mar** (Chile): padel never goes on holiday.
