Comunidad de Madrid Premier Padel P1, the show is back on! After the break, all the best players are in Spain

After a four-week summer break, the show on the **Premier Padel** circuit is back on. And it starts again with three tournaments in the next three weeks: it begins with the **Comunidad de Madrid Premier P1**, followed by another P1 in **Rotterdam** and the P2 in **Valladolid**. At the WiZink Center (35,000 tickets have already been sold) there is great expectation for the challenges between established pairs and pairs that only started playing together in Finland, in the last stage of the circuit before the break. In Madrid, in the presence of **Coki Nieto** and **Claudia Fernandez**, the draw was made for the starting draw on Monday and, as always happens, there is no shortage of fascinating matches.

MEN Like all P1 category tournaments (1,000 points up for grabs for the winning pairs), the men's draw will consist of 48 pairs, with the top 16 entering the court in the second round. The number 1 seed will again be **Arturo Coello** and **Agustin Tapia**, opposing either **Munoz/Garcia** or **Chozas/Augsburger** in the opener. Also returning to the court are **Fede Chingotto** and **Ale Galan** (2): first match against wild cards **Gil/Marcos** or against a pair from the qualifiers. **Martin Di Nenno** and **Juan Lebron**, winners in Finland, are the number 3 seed: for them, **Gutierrez/Marti** or two qualifiers. **Franco Stupaczuk** and **Mike Yanguas**, from number 4 in the seeding, complete the picture of potential finalists: for them, definitely two players from the qualifiers. These are the hypothetical quarter-finals: **Coello/Tapia** (1)-**Tello/Belasteguín** (7), **Cardona/Navarro** (5)-**Di Nenno-Lebron** (3), **Yanguas/Stupaczuk** (4), **Ruiz/Garrido** (6), **Nieto/Sanz** (8)-**Chingotto/Galan** (2).

WOMEN After making history in Finland with their 33rd title as a pair, **Ari Sanchez** and **Paula Josemaria** start again as hosts in Spain: the number 1 seeds lead the entry list of 32 and were drawn against **Lorena Rufo** and **Bea Caldera** in the first round. On the other side, the number 2s are **Bea Gonzalez** and **Delfi Brea**, who will face **Marta Barrera** and **Marta Caparros**. Rounding out the seeded podium are **Gemma Triay** and **Claudia Fernandez**, opposing wild cards **Lorena Alonso** and **Maria Catalina Tenorio**. Finally, number 4 are **Marta Ortega** and **Sofia Araujo**: in the first round, they will duel with **Carolina Orsi** and **Nuria Rodriguez**. Hypothetical quarter-finals: **Sanchez/Josemaria** (1)-**Sainz/Llaguno** (6), **Osoro/Virseda** (7)-**Triay/Fernandez** (3), **Ortega/Araujo** (4)-**Riera/Goenaga** (8), **Castelló/Salazar** (5, new pair)-**Brea/Gonzalez** (2).
