

Marbella, a 13 de octubre de 2024

Dear players,

We would like to confirm and inform you of the alternative plan for a venue change for the first round of the FIP Platinum Marbella tournament's qualifying phase, scheduled for today, Sunday, October 13, due to rain.

After reviewing the condition of the facilities and based on the forecast issued by the Spanish State Meteorological Agency (AEMET), we believe that the courts will not be in a suitable condition for the matches to begin at the originally scheduled time.

For this reason, the first round of qualifying will start at 1:00 p.m. at **Club Raquetas de Mijas**, a venue that has indoor courts to ensure the proper development of the competition.

Below is the location of Club Raquetas de Mijas:

Regarding logistics:

- The club offers free parking for those arriving by car.
- The easiest way to reach the venue is by taking a taxi from Fuengirola, which is accessible by public transport from both Marbella and Málaga.

We will keep you updated on any changes or updates via the FIP website.

Thank you very much for your understanding and cooperation.
