## FIP Rise Ciudad de Ceuta, Bautista-Guerrero and Lopez Diaz-Garcia, title and route to Valladolid

**Fran Guerrero** and **Jairo Bautista** among the men, **Nati Lopez Diaz** and **Lucia Garcia Trella** among the women. These were the four winners of the **FIP Rise Ciudad de Ceuta**, which in the men's draw again rewarded the two Spaniards, as happened in the FIP Rise in Cordoba in august. In the final, **Guerrero** and **Bautista** (number 1 seed) defeated the pair formed by **Adrian Naranjo Martinez** and **Marcel Font** 6-1 6-0. The best way to prepare for the **Oysho Valladolid Premier Padel P2**, where Guerrero and Bautista will debut in the main draw against **Juan Cruz Belluati** and **Ramiro Moyano**.

Among the women, however, it was the number 2 seeded players who lifted the trophy, thanks to a 6-2 6-1 victory in the final over **Aimee Gibson** and **Margarida Fernandes**. For **Lopez Diaz** and **Garcia**, too, there is now the P2 in Valladolid, with the organisation granting a wild card to a pair able to win four FIP Rise in 2024.
