FIP Promotion Lustica Bay, the CUPRA FIP Tour also lands in Montenegro

For the first time, the **CUPRA FIP Tour** lands in **Montenegro**. This weekend the **FIP Promotion** in **Lustica Bay** will be played, with 23 men's pairs at the start. The number 1 seed will be Italian **Simone Cremona** (number 111 in the FIP ranking) and French **Johan Bergeron** (151), followed as the number 2 seed by two Spaniards, **Gonzalo Perez Arbona** and **Ricardo Martinez**. French pairs number 3 (**Maxime Moreau** and **Julien Seurin**) and 4 (**Dylan Guichard** and **Maxime Joris**) are also French, but there are also lots of pairs formed by local players ready to make a good impression.

The first matches of the main draw are scheduled for Friday, with the round of 16 and quarter-finals scheduled for Saturday and the final on Sunday. The FIP Promotion in Lustica Bay precedes by a few weeks another 'first time', that of a CUPRA FIP Tour tournament in **Croatia**, with the **FIP Promotion** in **Porec**.
