## Oysho Valladolid Premier Padel P2, Day 4. Brea-Ustero, from a problem to an opportunity: semifinal on their first attempt

Injuries to **Bea Gonzalez** and **Ale Alonso** left **Delfi Brea** and **Andrea Ustero** without partners. The Argentinean and the young Spanish, then, chose to form a new pair who, at their first tournament, the **Oysho Valladolid Premier Padel P2**, immediately reached the semi-finals. The talent of the two players is unquestionable, but the feeling also works: the 6-4 6-2 win over **Melania Merino** and **Esther Carnicero**, who closed a great tournament in front of the home crowd, is worth the qualification to the semifinals, where Delfi and Andrea will face **Gemma Triay** and **Claudia Fernandez**, who in one hour and 31 minutes eliminated **Lucia Sainz** and **Patty Llaguno** with a score of 6-4 6-2. If that between Brea/Ustero and Triay/Fernandez will be the semifinal that at 12 noon CET will open the schedule of the day session, the number 1 and number 3 seeded pair will follow. On one side **Paula Josemaria** and **Ari Sanchez**, who took advantage of the withdrawal of **Ana Catarina Nogueira** and **Claudia Jensen** when the score was 5-2 in the first set; on the other side **Marta Ortega** and **Sofia Araujo**, who after their 6-3 6-1 win over **Lorena Rufo** and **Bea Caldera** are dreaming of their third final in six tournaments after the one they won in Genova and the one they lost in Finland.

**MEN** At 4.30 p.m., however, the afternoon session will be dedicated to the semifinals of the men's draw, which will see three of the top four seeded players on the court. The number five seed, **Pablo Cardona** and **Paquito Navarro**, will have to overcome **Fede Chingotto** and **Ale Galan** (2), who stopped **Alex Chozas** and **Leo Augsburger** in the quarters with a score of 6-3 6-4, to reach the first final, while Cardona/Navarro did the same (6-3 7-6) over **Juanlu Esbri** and **Lucas Bergamini**. At the top end, however, the whole crowd at the Polideportivo Pisuerga will be for **Arturo Coello**, who, paired with **Agustin Tapia** after their victory in the quarters over **Coki Nieto** and **Jon Sanz** (6-3 6-4), will face **Martin Di Nenno** and **Juan Lebron** (3), who beat **Momo Gonzalez** and **Edu Alonso** by the same score.
