FIP Juniors European Padel Championships quarterfinals begin: tomorrow's clash among the "Fabulous 8"

Eight top teams in the boy's category, and eight in the girls'. At the **FIP Juniors European Padel Championships** in **Budapest** (Hungary), the quarterfinals are about to begin after Day 3, which today determined the matchups for the second phase of the continental tournament dedicated to padel's rising stars. In the men's tournament, the most balanced and exciting tie was in Group D, where **Belgium** and the **Netherlands** faced off in the decisive battle for first place. A showdown that lasted late into the night and ultimately saw the Belgian team win 2-1 after three fiercely contested matches. On Thursday (starting at 4 PM), the "Red Devils" will face **Portugal**, who today lost to **Sweden** (0-3) in the clash for the Group B lead. The Swedes will meet the Dutch in tomorrow's quarterfinal.

A flawless path for **Spain**, which today defeated **France** 3-0, securing the top spot in Group A. The defending champions will face **Estonia**, who, with today's 2-1 victory over **Hungary**, finished second in Group C. The French also advance to the knockout stage and will play against **Italy**: for the "Azzurri," who topped Group C, today's match ended with a 3-0 victory over **Lithuania**. The teams competing for places ninth through sixteenth will be **Switzerland**, **Germany**, **Norway**, **Austria**, **Lithuania**, **Hungary**, **Denmark**, and **Finland**.

Quarterfinals

Sweden-Netherlands

Italy-France

Belgium-Portugal

Spain-Estonia

WOMEN Predictions held true for the four seeded teams in the women's tournament, all of whom finished the group stage with perfect records. After defeating the **Netherlands** 3-0 on Day 3, **Spain** awaits **Belgium** in the quarterfinal starting at 9 AM. The other two matchups will take place at the same time: in the top half of the draw, besides Spain-Belgium, **France** will face **Estonia**, with the "Bleues" having defeated **Portugal** 2-1 in today's most evenly matched
