## Comunidad de Madrid Premier Padel P1, day 6 Coello-Tapia again vs Chingotto-Galan. Triay-Fernandez, what a comeback!

On the day the **WiZink Center** in **Madrid** paid tribute to the legend **Fernando Belasteguín**, who played in the Spanish capital for the last time in his career, the **Comunidad de Madrid Premier Padel P1** elected the four finalist pairs. In the men's draw, it will again be the 'usual' **Arturo Coello** and **Agustín Tapia** (1) versus **Fede Chingotto** and **Ale Galán** (2) who will play for the title. The two dominant 'parejas' of the season will also face each other in the Spanish capital. In the first semi-final, Coello and Tapia in one hour and 28 minutes overcame with a double 6-4 **Juan Lebrón** and **Martín Di Nenno**, who after their debut title as a pair in Finland suffered their first defeat. Chingotto and Galán then caught up with Arturo and Agus, breaking **Juanlu Esbri** and **Lucas Bergamini's** (12) dream 6-2 6-3 in one hour and 2'. But it was still an extraordinary week for them. If for Coello and Tapia it would be the seventh title of the season, Chingotto and Galán are instead chasing the sixth, with Galán having also lifted the trophy in Riyadh paired with Lebrón.

**WOMEN** If among the men the number 1 and 2 seeds will play for the title, among the women the final will be between the number 2 and 3 seeded pairs. **Delfi Brea** and **Bea González**, victorious 7-6 6-2 in two hours and 8' over **Marta Ortega** and **Sofía Araujo** (4) in two hours and 8', will have the chance to defend the title they won last year in Madrid. A final that, for Delfi and Bea, has been missing since P1 in **Mar del Plata** last May. On the other side of the net will be **Gemma Triay** and **Claudia Fernández**, who, in the only match of the day decided in the third set, overcame FIP number 1 **Paula Josemaría** and **Ari Sánchez** in a comeback. It ended 3-6 6-4 6-1, with Gemma and Claudia chasing their third title of the season after Santiago and Bordeaux; for Brea and González it would be their fifth, following their poker of consecutive victories in **Puerto Cabello**, **Bruxelles**, **Sevilla** and **Asunción**.
