FIP World Padel Championships North American Qualifiers, Mexico and USA head to the World Championships in Qatar

Mexico and the **USA** for the men's tournament, and once again the **United States** for the women's tournament. The **FIP World Padel Championships North American Qualifiers**, an event organized by **FEMEPA** (the Mexican Padel Federation) and the **International Padel Federation**, have determined the three teams that will take part in the final stage of the FIP World Padel Championships, scheduled from October 28 to November 2 in Doha, Qatar.

In **Monterrey**, the host nation **Mexico** secured first place in the men's rankings, thanks to double victories over the **US** and **Canadian** teams. In both cases, the tie ended 3-0 in favor of the "Tricolor." The **USA** also secured a second-place finish and qualification, thanks to their victory over **Canada** on Saturday. In the women's tournament, the **US** team finished with a perfect score: first winning 3-0 against **Canada**, followed by a 2-1 victory against **Mexico**.

After the North American Qualifiers, the final qualification stages for the FIP World Padel Championships are scheduled from September 22 to 27 in **Kuwait City** and will feature national teams from Asia, Africa, and Oceania.
