FIP Promotion Houten, Dutch play at home with a view to Doha

Italians **Simone Iacovino** and **Michele Bruno** lead the draw in the **FIP Promotion** in **Houten**, Netherlands. But behind the '**Azzurri**', there are some home players who are ready to live a great weekend. The number 2 seeded players are in fact **Thijs Roper** and British **Samuel Jones**; the number 3 in the seeding instead are both '**Oranje**', **Sten Richters** and **Bram Meijer**, who in a few days (like **Bruno** with Italy) will play the **FIP World Padel Championships** in **Doha**.

The same goes for **Steffie Weterings**, who with British **Tia Louisa Norton** leads the women's nine-pair draw; but the number 2 seed in the FIP Promotion of Houten, **Maaïke Betz** and **Janine Hemmes**, will also be in **Qatar**.
